RE: Jodeco Road Project - NH-IM-75-2(213) Henry County, P.I. No. 312160

Dear Mr. Long:

The Board of Commissioners of Henry County understands that there has been a rumor circulating that the above project is no longer a priority project for our County. That is, in fact, not the case. I am enclosing a Resolution that was passed by our Commission on March 5 2007. I, as the Commissioner who represents this area, want to reconfirm that the above referenced project is a priority project for our County.

We look forward to working with the Georgia Department of Transportation to make certain that this project is implemented and constructed as expeditiously as possible. We appreciate your efforts and support.

Sincerely,

Elizabeth "BJ" Mathis
Henry County Commissioner
District II
