Re: Ethics Complaint against City of Stockbridge  
4545 North Henry Blvd  
Stockbridge, GA. 30281

Fred Evans, Councilman and Candidate  
117 Spring Street  
Stockbridge, GA 30281

Dear Sir:

This complaint is filed in compliance with State Ethics Commission Rule 189-2-.03 and alleges that the City of Stockbridge and Fred Evans have violated state law OCGA 21-5-30.2, Ethics in Government Act, by financing, producing and publishing through use of city funds, personnel and resources a publication that promotes an incumbent city councilman's campaign for re-election.

Fred Evans, Councilman and candidate is profiled on page 3 of *The Stockbridge Link* (see attached exhibit), a publication of the City of Stockbridge, Georgia that is distributed via U.S. Mail to city residents. Mr. Evans is an incumbent and a candidate in the municipal election that will be held on November 6, 2007 at Stockbridge City Hall. No other candidates are mentioned in this publication that is published by the City. This is a clear violation of the above referenced Ethics in Government Act provision and affords Mr. Evans preferential treatment detrimental to the other candidates in this election.

Respectfully,

Kathryn R. Gilbert  
Candidate, Stockbridge City Council
